Funny How Love Is

Fine Young Cannibals

I go to places we used to go
I still see people we used to know
Friends they ask me, where is she now
I have to tell them we're over nowWhen at first you left I thought I'd surely die
I couldn't see a future without you by my side
We're not together but I'm still alive
I'd rather not see you for a really long timeFunny how love is
Funny how love is
Funny how love isI don't want your magazines, I don't want your clothes
Take them from my house let me be alone
Never try to catch me in or call me on the phone
Don't send me letters, I don't want to knowWhen at first you left, I thought I'd surely die
I couldn't see a future without you by my side
We're not together but I'm still alive
I'd rather not see you for a really long timeFunny how love is
Funny how love is
Funny how love isLove is so funny, you sure put a joke on me
Funny how love is
