

I Loved You Yesterday

Lyle Lovett

Can you tell me
What you see in him?
He looks just like
All of the others did
And can you tell me
If it will ever end?
Can you tell me?
Or do you know? I could tell you
What I saw in you
And I could tell you
Why I still see it too
And I could tell you
If you would just let me through
I could tell you
Because I know But I loved you yesterday
And I love you just the same
And none of the things you do
Could tear us apart
I loved you yesterday
And I love you just the same
When I gave myself to you
You took only my heart What can you tell me?
What he says to you?
Does he tell you?
The same things I used to
But can he tell you
The way you want him to?
Can you tell me?
Or do you know? But I loved you yesterday
And I love you just the same
And none of the things you do
Could tear us apart
But I loved you yesterday
And I love you just the same
When I gave myself to you
You took only my heart Yo te quise ayer
Y yo te quiero the same
And none of things you do
Could tear us apart

Yo te quise ayer
Y yo te quiero the same
When I gave myself to you
You took only my heart You took only my heart
You took only my heart
