## I Loved You Yesterday

## **Lyle Lovett**

Can you tell me

What you see in him?

He looks just like

All of the others did

And can you tell me

If it will ever end?

Can you tell me?

Or do you know?I could tell you

What I saw in you

And I could tell you

Why I still see it too

And I could tell you

If you would just let me through

I could tell you

Because I knowBut I loved you yesterday

And I love you just the same

And none of the things you do

Could tear us apart

I loved you yesterday

And I love you just the same

When I gave myself to you

You took only my heartWhat can you tell me?

What he says to you?

Does he tell you?

The same things I used to

But can he tell you

The way you want him to?

Can you tell me?

Or do you know?But I loved you yesterday

And I love you just the same

And none of the things you do

Could tear us apart

But I loved you yesterday

And I love you just the same

When I gave myself to you

You took only my heartYo te quise ayer

Y yo te quiero the same

And none of things you do

Could tear us apart

Yo te quise ayer
Y yo te quiero the same
When I gave myself to you
You took only my heartYou took only my heart
You took only my heart
