Sing It (Reprise)

Josh Wilson

All the words in all the world
Could never say enough
All the notes in my guitar
Could never play enough
But You've placed this song inside my heart
And all I know to do for You is sing it
No, it's not much but it's what I've got
And all I know to do for You is sing it
I have tried so hard to find
The perfect melody
But nothing I could ever write
Comes close to Your glory
But You've placed this song inside my heart
And all I know to do for You is sing it
No, it's not much but it's what I've got
And all I know to do for You is sing it
