Seize The Day

Wax Tailor

Perhaps those who may be among us tonight for the first time may be wondering, what is going to happen now?Hold them close
Petals of a rose
Thorns as well
Friends and foes
Have no fearDon't You trust me?...you must trust meSeize the day, the day
Seize the day, that day
Seize the day, the day
Seize the day, that day
I don't mind whatever happens
I don't care whatever happenswhat is going to happen now?I can't see much in the future...Let them burn
Things of cotton
Admire the fire
Things undone
There's applause
There'll be encores
You're sincere
That's what we'reHave no fearDon't You trust me?...you must trust me
Seize the day, the day
Seize the day, that day
Seize the day, the day
Seize the day, that dayI don't mind whatever happens
I don't care whatever happens
