Takin' It as It Comes (w/ Jerry Jeff Walker)

Randy Rogers Band

I'm takin' it as it comes
And you know that it comes to everyone
I'm just sittin' back here
Gettin' high and drinking beer
And I'm just takin' it as it comesWell you're damned if you do and you're damned if you don't
Makes a man stop and wonder if he will or he won't
But I'm in my prime, enjoying my time
I've been too busy just chasin' life, now I'm livin' mineEat more possum, God bless John Wayne
Seems like everybody got to be a cowboy these days
You know riding de-range, it's either rank stock or strange
It's all in the luck and the buck and the draw
And how tight you're holding the reins
