Tremors

SOHN

Vibrations of tremors that shook long ago
Tear holes in the fabric of all that we know

Canâ€™t survive with the secrets we have
All that we have is a lie
Hold the line
Til the thread comes undone
If youâ€™re thinking of letting me go then itâ€™s time that you do

If youâ€™re thinking of letting me go then itâ€™s time that you do
If youâ€™re thinking of letting me goâ€¦

Flood lines we etched when we merged into one
Rewind and scroll on before they were done

Canâ€™t survive with the secrets we share
If all that we share is a lie
Hold the line
Let the thread come undone
If youâ€™re thinking of letting me go then itâ€™s time that you do

If youâ€™re thinking of letting me go then itâ€™s time that you do
If youâ€™re thinking of letting me goâ€¦

If youâ€™re thinking of letting me go then itâ€™s time that you do (x4)

Vibrations of tremors that shook long ago (x4)

That shook long agoâ€¦
Vibrations of tremors that shook long ago
