

Norman 3

Teenage Fanclub

Come on over, break some bread
Close the window and we'll lay on the bed
If you're the future, then I'm with you
Looking forward, to everything that we do
They are stupid, they don't know
Going nowhere, but we're ready to go
We're together, on our way
Are you ready, for what I'm going to say
Yeah, I'm in love with you
I'm in love with you
And I know that it's you
