How You Got That Girl

Ex Hex

Maybe Iâ€™ve changed but I donâ€™t worry
Youâ€™re not gonna bring me down
I used to cry, cry, cry
Now I donâ€™t remember why
I just never want to hear that sound

[Chorus]
You tell me this
You tell me that
Itâ€™s what you give
Youâ€™re gonna get it back
Iâ€™ve been the object of your affection
Iâ€™ve been the target of your cruel intention
And I know just how you got that girl

I see you on the street with someone new, you talk sweet
You just walk, walk on by
Staying out just about every night
You just try, try, try

[Chorus]
