You Put a Smell on Me

Matthew Dear

Take a ride in my big black car
Never ask no one
Never ask no one
If you take a ride in my big black car
Never took too much
We can go real far
It's got wheels
And a big black bar
Take a ride with me
In my big black car
Take a ride with me in my big black carTake a ride in my big black car
We can go real loud
We can go real far
We have a radio in my big black car
We can go all night, if you wanna go far
You decide if you want to come
Take a ride with me in my big black gun
We've got four wheels that can take us there
If you wanna come down
Don't answer meGonna ride (repeated)Dance with me on the big dance floor
I can take you out--gonna show you off
Do the (?) line to the dance machine
We can go all night if you dance with meTonight (repeated)And afterward you can come with me
To my big black house
On the big black sea
I would like you to put on
Something nice that's soft and warm
It's a little red gown with a name on it
You can dance with me just for a bit
Try it on--it's your size
Gonna dance, dance, all nightLittle red night gown
Little red night gown, night gown
Little red night gown, night gown
Little red night gown
