

Do I Lie?

Alisha's Attic

Well, here we go again
You are tellin' me your stories
And I've heard them all before
About this girl and how you're friends
Sure, nothing more
It's a typical scenario
You say I'm insecure, and you know
Just how to play this girl
And I wonder
If I'll ever know the truth
Yeah, I wonder
'Cause the devil is a gentleman
And he says, "Hey babe, do I lie to you?
Hey hey, babe, do I lie to you?
'Cause if I say you're beautiful
It's like magic, you'll forget it all
It's like that babe, do I lie to you, do I lie?"
Well, here we are again
Have you checked your head today?
Is your conscience living there?
I know you and her are having it, anyway
And I try and find your excuses
Kind of interesting
But it's the same old words
From the same old mouth again

And I wonder
If I'll ever know the truth
Yeah, I wonder
'Cause the devil is a gentleman
He says, "Hey babe, do I lie to you?
Hey hey, babe, do I lie to you?
'Cause if I say you're beautiful
It's like magic, you'll forget it all
It's like that babe, do I lie to you, do I lie?"
Do I lie? Do I lie?
Hey babe, do I lie to you?
He said, "Hey babe, do I lie to you?
'Cause if I say you're beautiful

It's like magic, you'll forget it all
It's like that babe, do I lie to you, do I lie?
He said, "Hey babe, do I lie to you?
Hey hey, babe, do I lie to you?
'Cause if I say you're beautiful
It's like magic, you'll forget it all
It's like that babe, do I lie to you, do I lie?
Hey babe, do I lie to you?
Hey babe, do I lie to you?
'Cause if I say you're beautiful
It's like magic, you'll forget it all
