Awakening

Airlock

There was a time I said I loved you
A time I thought you cared
A time when things were flowing
But now I'm lost for wordsI tried so hard to understand
In silence and emotion
You take my smiles away from me
With your careless notionsWill you bring me down?
Will you lift me up?
Will you lift me up?I want to be me
When the night is fading
Morning's wakingDidn't do what you were supposed to
Do when you said you would do
Holding on while all along
I was scared to say goodbyeThose days have gone
The time has come now
For me to draw the line
My mind is made up, baby
I won't play your gameI want to be me
When the night is fading
Morning's wakingWill you bring me down?
Will you lift me up?I wanna be me
