hey (eh)

forever

hey (eh)

foreverIt's you

And me

Moving at the speed of light

Into eternity

Tonight

Is the night

To join me in the middle of ecstasy

Feel the melody and the rhythm of the music around you, around you

Imma take you there

Imma take you there

So don't be scared

Im right here baby

We can go anywhere, go anywhere

But first, it's your chance

Take my hand come with meIt's like I waited my whole life

For this one night

Its gonna be me, you, and the dance floor

Cause we only got one night

Double your pleasure

Double your fun

And dance forever ever ever

Forever on the dance floorSounds like we're on another level

Feels like our love's intertwined

We can be two rebels

Breakin the rules

Me and you, you and I

All you gotta do is watch me

Look what I can do with my feet

Baby, feel the beat inside

I'm driving you take the front seat I just need you to trust me (girl, girl, girl)It's like I waited my whole life For this one night

Its gonna be me, you, and the dance floor

Cause we only got one night

Double your pleasure

Double your fun

Dance forever ever ever

Forever on the dance floorIt's a long way now

So high off the ground

Sending for an angel

Bring me your heart

Girl where did you come from

Got me so undone

Gaze in your eyes got me saying "What a beautiful lady!"

No ifs, and, or maybes

I'm releasing my heart

Its feeling amazing

No one else that matter

You love me

And I won't let you fall girl, let you fall girl

Oh, oh, yea, yea

I won't let you fall, let you fall, let you fall

Oh, oh, yeah, yeah, yeah, I waited my whole life (whole life)

For this one night (one night)

Its gonna be me, you, and the dance floor (dance floor)

Cause we only got one night

Double your pleasure

Double your fun

Dance with me Cmon

Forever ever ever

Forever on the dance floor

oh

oh, oh, oh, oh
ohhhh
yeah
forever ever, ever ever
forever ever
ohhhh
