

Take It Boy

Clint Crisher

Last night turned me on
and we got off
my windows were steamy
your sheets were so sticky
the phone sex was hot
but I'd rather do it in the flesh
and make a mess
so if you want me
this is your chance
to take it boy
take it boy
come on over
lets get freaky
when I start
I don't stop
come on over
let's try it

before the moment passes us by
every night this week we've talked about it
let's just do it
when I start I don't stop
seize the night
the moments right
you say it's hard
I wanna hold it
I want to lube it
I want you to prove it
so if you want me
this is your chance
to take it boy
come on over
and let's get freaky
take it boy
take it boy
