

# Left of Center

Serj Tankian

Are we a fantasy  
Swimming in theocracy?  
We are far from holy  
The wholeness of one  
Repeat after me We lost the key of sight  
Now blind, we fear in flight  
We are far from love  
But silence is golden  
Please observe Fighting your empire  
Defending your vampires  
Far away, we're going too far Bombing your ignorance  
Defeating your insolence  
Far away, we're going too far  
We're going too far If today I die and cannot deny  
The life that I lived for what I say  
Now befit myself in time No time to die or kill  
No structures of a pyramid  
No trained horses to arise  
Surmise my position, my words define Fighting your empire  
Defending your vampires  
Far away, we're going too far Bombing your ignorance  
Defeating your insolence  
Far away, we're going too far  
We're going too far We go forward, we go backward  
Living, dying  
We're dying, we're living  
We're living, we're dying We're crying, we're seeing  
We're living, we're breathing  
Dying, seeing Fighting your empire  
Defending your vampires  
Far away, we're going too far Bombing your ignorance  
Defeating your insolence  
Far away, we're going too far  
We're going too far
