Rounds

Lamb

Learning for the first time
When it might be the last
How'd I come to be so slow
To put things in the pastI guess we all, just find our way
But some over the peace (?)
Some would say, experience
Can never be replacedIt seems to me that as the years go by
My questions and the answers come to mind
And so it is that as the years go by
More questions and the answers tell me whyIt seems to me that as the years go by
My questions and the answers come to mind
And so it is that as the years go by
More questions and the answers tell me why
Ever going, round and round
The circle game we're in
The more I know, the less I know
I end where I beginIt seems to me that as the years go by
My questions and the answers come to mind
And so it is that as the years go by
More questions and the answers tell me why...He came to bring us his peace
He came to bring us his joy
To bring us loveBehold the lamb of God
Behold the lamb of God
Behold the lamb of God
Behold the lamb of GodHe came to bring us his peace
He came to bring us his joy
To bring us love
Behold the lamb of God
The mighty king of God
The chosen one of GodBehold the lamb of God
The mighty king of God
The precious lamb of GodBehold the lamb of God
The mighty king of love
The chosen one of GodAnd so the wise men, the shepherds,
The ox, and the lamb,
The angels above
All rejoiced at God's command
As a star shone from heaven
This new king to adorn

On that very first Christmas
When Jesus Christ was born
