On Fire (Acoustic)

Sebadoh

My opinion could change today
Im responsible anyway
For second to third hand information
That complicates the complicationAnd I dont think before I speak
And I dont know how far my words reach
So wrong nearly every time
That Im sorry, I speak my mind
If what I said was unkindAnd now it feels like Im on fire
And its burning the world through
Dont hold it against me
Cuz I know youre lying, tooIs there any need for apology?
Theres no reason to believe me
Judgments born in my jealous mind
Creeping inside, outsideConnections Ive made never follow through
And sooner or later disappoint you
Or cross you twice when your back is turned
Thats how, Ive learned
That someone has got to be burnedAnd now it feels like Im on fire
These words are not the truth
But dont hold it against me
Cuz I know youre lying, tooFeels like Im on fire
Its burning the world through
Dont let me fall without someone to hold on to
Someone to hold on to
Someone to hold on to
