

Alone

Big Country

THE MIDDAY SKY WAS GREY AND PURPLE AT LEAST IT WASN'T BLUE FOR I HAVE BEEN A
LOST AND LONELY AND WHAT I DO I WANT THE SKY TO BE THE WAY I AM SAILOR ON YOUR
SEA YOU WERE SENDING ME RUN AGROUND BY TRUSTING SIGNALS THE STREETS ARE
FILLED WITH EMPTY FACES IT'S JUST THE SAME IN OTHER PLACES NOTHING HERE IS NEW I
WAS THE FIRST ACROSS THE WATER I WALKED OUT OF THE SILVER MINE I HAVE JOURNEYED
TO LAST UPON THE LAND MY POCKETS FULL OF SAND ALONE INSIDE MY HEAD ALONE
INSIDE MY ROOM I FEEL ALONE INSIDE MY HEAD ALONE INSIDE MY TINY LITTLE WORLD IT'S
NOT MY LIFE IN THOSE OLD PICTURES ONES YOU THREW AWAY AND ALWAYS FAR AWAY
WALKING IN THE DARKEST PLACES FOR I WAS ALWAYS SOMEONE ELSE WHERE THE MISSION
MEETS WAITING FOR THE GROUND TO OPEN UP BENEATH MY FEET
