Every Time You Cry

Suade

Never before have I seen you look so blue
Can't find a cure and nothing comforts you
The light at the end of the tunnel
Doesn't shine at the end of the day

[Chorus]
Every time you cry
Save up all your tears
I will be your rainbow when they disappear
Wash away the pain
'til you smile again
I will be the laughter in your eyes
Every time you cry Every time you cry

Time has a way of wounding what has healed
What can I say, I know just how you feel
Your soul is dark and troubled
Like a river running wild

[Chorus]
Well you know that's what I'm here for
And I will give you when you need more
There'll be no hesitation
I will reap no reward

[Chorus: x2]
