[Verse 1:]I had someone like me  
Got someone like you  
Damn it feels like, I won the lottery  
Don't know if I'm awake  
Or if I'm dreamin'  
Sometimes I got to pinch myself to see  
Then I'ma do the starin'  
Baby twisting the next  
Don't matter what you wearin'  
Girl you're still of the best  
With or without make-up  
Don't matter with me  
You're the girl in the club  
[Chorus: ]When you catch me starin'  
I can't help it  
I just can't believe you're mine  
When you see me smilin'  
I can't hide it  
Wanna take you up all the time  
I just wanna show you off (oooooff . . .)  
Show you off (oooooff . . .)

Show you off ( oooh oooff. . . )  
I just wanna show you off (oooooff . . . )  
Show you off (oooooff . . . )  
Show you off ( oooh oooff. . . )  
Sho-sho-sho- Show you off. . .

[Verse 2]Wanna show you the whole world

That you're my girl  
So I'ma take a picture, put it on Facebook  
Friends and family, no you're my baby  
They keep telling me I don't deserve you  
Then I'ma do the starin'  
Baby twisting the next  
Don't matter what you wearin'  
Girl you're still of the best  
With or without make-up  
Don't matter with me  
You're the girl in the club

[Chorus: ]When you catch me starin'

I can't help it  
I just can't believe you're mine  
When you see me smilin'  
I can't hide it  
Wanna take you up all the time  
I just wanna show you off (oooooff . . . )  
Show you off (oooooff . . . )  
Show you off ( oooh oooff. . . )  
I just wanna show you off (oooooff . . . )  
Show you off (oooooff . . . )  
Show you off ( oooh oooff. . . )  
Sho-sho-sho- Show you off. . .

[Bridge: ]Its like hitting the jackpot in Vegas

Its like \*don't know\* and being famous  
Its like my whole life is like a holiday  
And just in case you ever wonder

[Chorus: ]When you catch me starin'

I can't help it  
I just can't believe you're mine  
When you see me smilin'  
I can't hide it  
Wanna take you up all the time  
I just wanna show you off (oooooff . . . )  
Show you off (oooooff . . . )  
Show you off ( oooh oooff. . . )  
I just wanna show you off (oooooff . . . )

Show you off (oooooff . . .)  
Show you off ( oooh oooff. . .)  
Sho-sho-sho- Show you off. . .
