

Se a Vida Ã‰ (That's the Way Life Is)

Pet Shop Boys

Come outside and see a brand new day
The troubles in your mind will blow away
It's easy to believe they here to stay
But you won't find them standing in your way
Se a vida Ã© I love you
Come outside and feel the morning sun
Se a vida Ã© I love you
Live is much more simple when you're young
Come on essa vida Ã© I love you
That's the way life is, that's the way life is
Although we see the world through different eyes
We share the same idea of paradise
So don't search in the stars for signs of love
Look around your life you'll find enough
Se a vida Ã© I love you
Come outside and feel the morning sun
Se a vida Ã© I love you
Live is much more simple when you're young
Come on essa vida Ã© I love you
That's the way life is, that's the way life is
Why do you want sit alone in gothic gloom
Surrounded by the the ghosts of love
That haunt your room?
Somewhere there's a different door
To open wide
You gotta throw those skeletons out of your closet
And come outside
So you will see a brand new day
The troubles in your mind will blow away
It's easy to believe they're here to stay
But you find them standing in your way
Se a vida Ã© I love you
Come outside and feel the morning sun
Se a vida Ã© I love you
Live is much more simple when you're young
Come on essa vida Ã© I love you
That's the way life is
