

Blur The Technicolor

White Zombie

Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna get it
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do
Falling down I am a psychoholic
Erratic and sure I cannot fail
Replay slow smooth and automatic
Go easy riding danger
Yeah, two guns west I ride an instamatic
Polaroid rat crucifixion nail
Antenna down cruising in the deep red
Mouth of a demon angel
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what gonna do
Straight to the top sadistic or anything
Acid eat the face of night, strip to the bone
Release me violate eye of God
A goddamn, right
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna get it
Yeah, falling down, I am a psychoholic
Erratic and sure I cannot fail
Sit them there and sink into the deep red
E-Z riding danger
Shadow play, I blur the technicolor
Keep 'em running-go-demolition way

Going down deep into a hole
Called love of a demon angel
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do
Yeah, falling down, I am a psychoholic
Erratic and sure I cannot fail
Sit them there and sink into the deep red

E-Z riding danger
Shadow play, I blur the technicolor
Keep 'em running-go-demolition way
Going down deep into a hole
Called love of a demon angel
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and I know what you gonna do
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna give
Give me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna give
