A 2 step, a 2 step

Now gon? an? 2 step, now gon? an? 2 step

Now get jiggy wit it, now get jiggy wit it

Now gon? an? 2 step, ay watch me 2 step

Now can you 2 step like I 2 step?

Watch me get jiggy wit it, watch me get jiggy wit it

Gon? an? 2 step!

I hit the club fresh my stunna shades on

2 steppin? gettin' jiggy wit my J's on

Don?t get yo' steps wrong don?t try to bite mine

2 steppin?, yeah I?m back, Unk one mo' time

See we gon? form a line and we gon? step it right

Now step it to the left, girl you know you dynamite

Now have some good times, I see you got it right

Beat my wrist ice colder than a Bud Light

Now I?ma take my time, where the gangstas at?

And you can still post the wall, \*\*\*\*\* holla back

Grey Goose and yak, \*\*\*\*\* filled wit kush

I?m getting jiggy wit it smokin? on that George Bush
