Humor Me

Dean Friedman

By dean friedmanHumor me. humor me.
Don't take what I say too seriously.
It's not that I am insincere. I really do mean everything I say.
It's just that every time you're near I get carried away.Humor me. humor me.
Anytime I get a little silly, please try not to be dismayed. you know it's really not my fault.
Just take everything I say with a grain of salt.You see, underneath this cynical exterior, there's a child in me waiting for the chance
To prove that all my logic is inferior to romance.
