

# Humor Me

Dean Friedman

By dean friedmanHumor me. humor me.

Don't take what I say too seriously.

It's not that I am insincere. I really do mean everything I say.

It's just that every time you're near I get carried away.Humor me. humor me.

Anytime I get a little silly, please try not to be dismayed. you know it's really not my fault.

Just take everything I say with a grain of salt.You see, underneath this cynical exterior, there's a child in me  
waiting for the chance

To prove that all my logic is inferior to romance.
