

# Indescribable

## Assorted

From the highest of heights  
to the depths of the sea  
creations revealing it's majesty  
from the colors of fall  
to the fragrance of spring  
every creature unique in the song that it sings

All exclaiming  
indescribable, uncontainable

You placed the stars in the sky in the sky and you know them by name

You are amazing God

All powerful  
untainable

awstruck we fall to our knees as we humbly proclaim

You are amazing God

Who told every lightning bolt where it should go

or seen heavenly storehouses laden with snow

who imagined the sun and give source to it's light

Yet conseals it to bring us the coolness of night

None can fathom

(chorus)

(chorus)

(chorus)

incomparable

unchangeable You see the depths of heart and you know me the same

You are amazing God (x3)
