

# Down To Earth

## Curiosity Killed the Cat

Shooting stars in midnight pastures  
And hanging out on clouds beneath the moon  
Hitching rides on magic carpets  
It's a fairy tale to me but you're in tune  
You're shattered by the final frame of the movie scene  
That generates your every aim  
You ain't no bird and so far what's it's worth  
Gonna bring you straight back down down  
Straight back down (come down)  
Come back down (come down)  
Straight back down y'all  
Straight back down to Earth  
In times when you're in need of assistance  
You're looking for a lead and in the distance  
You hear them calling come back down again  
But you don't know how  
You don't know where and don't know when  
You're shattered by the final frame of the movie scene  
That generates your every aim  
You ain't no bird so for what it's worth  
Gonna bring you straight back down to earth  
Straight back down (come down)  
Come back down (come down)  
Straight back down y'all  
Straight back down to Earth  
Don't want to want to be misled (come down)  
Don't want to fall on a razor's edge and  
You feel at ease you're begging please  
Don't make (take) me down for nothing  
Don't want to want to be misled (come down)  
Don't want to fall on a razor's edge and  
You feel at ease you're begging please  
Don't make (take) me down for nothing  
You're shattered by the vital pain that is needed now  
To tell you not to go insane  
You're tempted by I say the cooling breeze  
That will bring you down oh come back please  
Straight back down (come down)  
Come back down (come down)  
Straight back down y'all  
Straight back down to Earth  
Don't want to want to be misled (come down)  
Don't want to fall on a razor's edge and  
You feel at ease you're begging please  
Don't take me down for nothing  
Don't want to want to be misled (come down)  
Don't want to fall on a razor's edge and  
You feel at ease you're begging please  
Don't take me down for nothing
