Eat Me!

Sodom

Your big brown eyes look sharp
Beneath your neck
I feel myself getting hard
Spread your crackHellfire and damnation
You sweat blood
You feel yourself well served
No you're notEat me!
Eat me!Number one in your face
Number two on your cans
Orgasmic rush of lust
Rip off my pantsEat me!Come on taste my candy cream
Do the cannibal for me
Built like a brick shithouse
G.I.BEat me!
Come on eat me!
Eat me!
