Born to Bleed

coldrain

Is it over now?
or are we standing in the eye
of a storm that's never ending
hearts to hearts or lonely nights
stranded ghosts ignoble fights
do you hear our cries outif we still believe will we ever see?is everybody a body born to bleed?
is anybody somebody built to be
strong enough to survive the weight
strong enough to survive the flames
I know that there's nobody
who doesn't know the painare we broken down
or is it just passing phase
of a saga never ending
hand in hand we light the way
love and wreckage in our wake
will you leave your life freeif we still believe will we ever see?is everybody a body born to bleed?
is anybody somebody built to be
strong enough to survive the weight
strong enough to survive the flames
I know that there's nobody
who doesn't know the painhand in hand we light the way
love and wreckage in our wake
will you leave your life freeis everybody a body born to bleed?
is anybody somebody built to be
strong enough to survive the weight
strong enough to survive the flames
I know that there's nobody
who doesn't know the pain
who doesn't know the pain
who doesn't know the pain
who doesn't know the pain
who doesn't know the pain
