

Beautiful Things

Jenny MacDonald

Beautiful things are comin' my way
Beautiful things, I want them to stay
But after a while, my beautiful things
 Don't seem beautiful at all
And terrible things like when you wake up
 And all of your dreams seem to crack up
Like things you have done, like breakin' my heart
 For you it don't seem terrible at all
 Is there someone I can talk to?
 Someone on the line
 Does anybody want to hear
 What's on my mind?
Beautiful things like leaves on a tree
Beautiful things, the sky and the sea
Since you've been gone, no beautiful things
 Seems beautiful to me
 Is there someone I can talk to?
 Someone out there on the line
 Does anybody want to hear
 What's on my mind?
Make the grass grow in the garden
 When the rain is passin' by
 Does anybody wants to know
 What's on my mind?
 Does anybody wants to know
 Is there someone I can talk to?
 Someone out there on the line
Does anybody want to hear what's on my mind?
 Want to hear what's on my mind?
 Does anybody want to know?
 Does anybody want to know?
 Does anybody want to know?
 Does anybody want to know?
