Unlock This Cage

Kadesh

Trapped inside of me,like a beautiful bird I'm caged in
Lost inside the wind but my wings they are broken
how can i fly
my wings are broken
i tried and tried
but my anchor is broken
COME BRING ME WATER ,UNLOCK THIS CAGE
IM SINGING LOUDER,COME RESUCE ME
COME BRING ME WATER UNLOCK THIS CAGE
IM SINGING LOUDER,COME RESCUE ME,COME AND RESCUE ME
I'm blinded by the darkness, of what my eyes they see
strangers look like they want to friend me,but i awake its just a dream
the mirrors cracked and i,NOW I'm seeing double
and all i have is my pride,and even thats in trouble
COME BRING ME WATER UNLOCK THIS CAGE
IM SINGING LOUDER COME RESCUE ME
BRIDGE- HOW did i entrap myself,only wanted love,I'm not one to just give up
Im afraid of being lost
COME BRING ME WATER,I NEED IT
UNLOCK THIS CAGE,RIGHT NOW SOMEONE
I'M SINGING LOUDER,COME RESCUE ME
