

# Crying Shame

Jack Johnson

Its such a tired game  
Will it ever stop?  
How will this all play out  
Upside out of my mouth By now we should know  
How to communicate instead of coming to blows  
We're on a roll and there ain't no stopping us now  
We're burning under control, isn't it strange  
How we're all burning under the same sun By now we say its a war for peace  
Its the same old game  
But do we really want to play?  
We could close our eyes its still there  
We could say its us against them  
We can try but nobody wins  
Gravity has got a hold on us all We try to put it out, but its a growing flame  
Using fear as fuel, burning down our name  
And it won't take too long  
'Cause words are burning same  
And who we gonna blame now? And oh  
Its such a crying, crying, crying, shame  
Its such a crying, crying, crying, shame  
Its such a crying, crying, crying, shame, shame, shame By now, its beginning the show  
A number of people are numbers who ain't coming home  
I can close my eyes its still there  
Close my mind be alone  
Close my heart and not care  
But gravity has got a hold on us all Its a terrific price to pay  
But in the true sense of the word  
Are we using what we've learned?  
In the true sense of the word  
Are we losing what we were?  
Its such a tired game, will it ever stop? Is not for me to say  
And is it in our blood?  
Or is it just our fate?  
And how will this all play out  
Upside out of my mouth  
And who we gonna blame? On and on  
Its such a crying, crying, crying, shame  
Its such a crying, crying, crying, shame  
Its such a crying, crying, crying, shame, shame, shame
