

Jennifers Body

Hole

And I know it, I can't feel it
Well, I know it enough to believe it
And I know it, I can't see it
But I know it enough to believe itIt's bettering you, it's bettering me
My better half has bitten me
It's bettering you, it's bettering me
Sleeping with my enemy myself, myselfThe pieces of Jennifer's body
Found pieces of Jennifer's body
Found pieces of Jennifer's bodyJust relax, just relax, just go to sleep
Just relax, just relax, just go to sleepYou're hungry, but I'm starving
He cuts you down from the tree
He keeps you in a box by the bed
Alive but just barelyHe said, I'm your lover, I'm your friend
I'm purity, hit me again
With a bullet, number one
Kill the family, save the son himself, himselfThe pieces of Jennifer's body
Found pieces of Jennifer's body
Found pieces of Jennifer's bodyJust relax, just relax, just go to sleep
Just relax, just relax, just go to sleepNow, you're
Mine
