Zz Top

I found it hidin' out in the weeds
Definitely feel like a king bee
Sweet like jelly, bad like a truck
I wanna be hummbucking on youHummbucking, part 2I got off down in the bush
Definitely somethin' everybody wish for
Sweet like jelly, bad likes a truck
I'm gonna rub hummbucking on youHummbucking, part 2Burkina faso, burkina fasoI found it way down off in the cane
Definitely know I wanna be your man
Sweet roll jelly, rumblin' truck
I'm gonna put a lil' hummbucking on youHummbucking, part 2Sugar cane, Imperial cane
