Rinse

Dhol

She'd do anything to sparkle in his eye
She would suffer, she would fight, and compromise
She's been wishin' on the stars that shine so bright
For answers to questions that will haunt her tonightShe must rinse this all away
She can't hold him this way
She must rinse this all away
She can't love him this wayHow she'd be soothed, how she'd be saved if he could see
She needs to be held in his arms to be free
But everything happens for reasons that she will never understand
Until she knows that the heart of a woman
Will never be found in the arms of a manShe must rinse this all away
She can't hold anybody this way
She must rinse this all away
And she can't love himAnd if she runs away she fears she won't be followed
What could be worse than leaving something behind?
And as the depth of oceans slowly become shallow
It's loneliness she finds, if only he was mineShe'd do anything to sparkle in his eye
She would suffer, she would fight and compromise
She's been wishin' on the stars that shine so bright
For answers to questions that will haunt her tonightShe must rinse him
She must rinse him
She can't rinse him
She can't rinse himShe can't, she won't, she must rinse him
She can't, she won't, she must rinse him
She must rinse this all away
She can't hold him this way
She must rinse this all away
She can't love him this way
