When I See You Smile

Corey Kent White

Sometimes I wonder how I'd ever make it through
Through this world without having you
I just wouldn't have a clueSometimes it seems like this world's closing in on me
And there's no way of breaking free
And then I see you reach for meSometimes I wanna give up, wanna give in
I wanna quit the fight
And then I see you baby
And everything's alright,
Everything's alrightWhen I see you smile, I can face the world
Oh, oh
You know I can do anything
When I see you smile
I see a ray of light
I see it shining right through the rain
When I see you smile
Baby when I see you smile at meBaby there's nothing in this world that could ever do
What a touch of your hand can do
It's like nothing that I ever knew
HayAnd when the rain is falling, I don't feel it
'Cause you're here with me now
And one look at you baby
Is all I'll ever need,
Is all I'll ever needSometimes I wanna give up, I wanna give in
I wanna quit the fight
Then one look at you baby
And everything's alright
Everything's alright
It's alright
When I see you smile, I can face the world
Oh, oh
You know I can do anythingWhen I see you smile, I can face the world
Oh, oh
You know I can do anything
When I see you smile
Baby, When I see you smile
Smile at me
