Hey Girl

O.A.R. - (Of a Revolution)

I took this girl out last night and we left around twelve.
We walked along lonely streets and got to know ourselves.
I like ot read, she likes to write.
She likes to sleep, and I love to stay up all night.
My friends say I'm crazy and I agree,
But that's okay cause that's the way I like to be.Hey girl, ocme with me and let yourself go.We went out late that night and we danced through the night.
I was holding on to her and she was gripping me tight.
But she didn't care, I didn't mind.
I was unaware that she liked to act so kind.
my friends say she's crazy and I agree,
But that's okay cause that's the way I like to be.I say now,
Hey girl, come with me and let yourself go.Later on that night I took her home.
I asked if she felt alright being alone, she don't.
So I went inside, she didn't mind.
Took two to decide I wasn't going home tonight.
I see we're both crazy, that's alright by me.
The night was kind of crazy that's the way it's gonna be.I say now,
Hey girl, come with me and let yourself go.
