

# Breathe (Acoustic) [Live] {Acoustic Tour 2006}

## Erasure

[Incomprehensible]Twenty-seven times I paint the city in lights  
Now I changed my mind  
I was living fast now I'm running on emptyAnd I feel, yeah, I feel  
You're gonna go, let me goBreathe and I breathe  
It's bitter without you, I can't live without you  
And I'm in love with youStood the test of time  
Though I treated you rough you were always kind  
I let my head rule my heart now I'm feeling so lonelyAnd I feel, it's the deal  
You're letting me go, gonna goBreathe and I breathe  
Hollow without you, I can't live without you  
And I'm in love with youBreathe, I believe  
Empty without you, I can't live without you  
And I'm in love with youBreathe and I breathe  
It's bitter without you, I can't live without you  
And I'm in love with youBreathe, I believe  
Empty without you, I can't live without you  
And I'm in love with youBreathe, I believe  
I can't live without you, I can't live with you  
And I'm in love with you
