Let Go

Lawson

Last time that I picked up my phone,
Hear your voice on the end of my 901,
You said you needed to talk,
But you didn't care, before.
Four weeks since you've broken me down,
See your face on the picture beside my bed,
And now I'm drinking at home,
But I'm letting go,
I'm letting Go.
I don't need to see you cry,
I don't need to breathe your life,
Think it's time i'm moving on,
I gotta let go, let go.
And after all the things you've said,
And all the stories that I read,
Think I'll make it on my own,
I gotta let go, let go
Let go, let go.
August scene with the years passing by,
I just hope that you find what you're looking for,
And you can start living life,
'cause I'm living mine, I'm living mine.
I don't need to see you cry,
I don't need to breathe your life,
Think it's time i'm moving on,
I gotta let go, let go,
And after all the things you said,
And all the stories that I read
I think I'll make it on my own,
I gotta let go, let go,
Tell me something that I don't know,
Tell me something that heals my fall,
Sick and tired of the same old words,
Sick and tired of the things i've heard,
I don't wanna be angry anymore,
I don't want to be bitter anymore,
I don't need see see you cry,
I don't need to breathe your life,
Think it's time i'm moving on,

I gotta let go, let go,
And after all the things you've said,
And all the stories that i've read,
I think i'll make make it on my own,
I gotta let go, let go,
Let go, let go.
