Worth the Wait

The Age of Rockets

I'm waiting for the dinosaurs to return
and ravage the traffic of morning commute
and sink in comfort of despairand I hope it's worth the wait
and I hope it's worth the waitI'm waiting for the ocean floor to appear
and long after smiles give way to the teeth
we float 'til we're lost and doneand I hope it's worth the wait
and I hope it's worth the waitI'm waiting for your plane to pour and oceans between us will bend in relief
tonight it seems you goand I hope it's worth the wait
and I hope it's worth the wait
