Descending

Scars of Life

I'm descending, into youFeels like, dry hands, tearing me inside out
It all is burning
I cant, breathe anymore, too much to push away
I tell you how you make me feel and you just look away
And I don't know how much more of you that I can takeAs it hits me
Wake me before its over
I feel gone
There's nothing I can do
Then you tell me
Its over and walk off
On your own
I'm descending into youAll I hear is, screaming, inside and out
My head, just can't take this
It feels like I dont exsist in this world you've made
The look of disgust on your face whenever I'm with you
Scratch the surface of me is all you'll ever doYour all I've ever known
To hard to just look away
Put out all I have shown
As I watch you throw it awayI'm descending, into you
