I'm so bright my mama call me her son
Where I'm from shit's fucked so I bought me a gun
Our president talks wid a fuckin fork in his tongue
Beats banging in my head so I walk wid a bump
In my own zone, my sweet reality
Got fuckall to do wif yor bleak reality
In souf afrika I'm da boss of da game
In da overseaz shit's like fuckin insane
I'm walking down da street hot chicks calling my name
It's like I dropped a cap of acid and it's not going away
Since we dropped zefside 2 years ago
Still freak out every muddafukka who hears my flow
I know how to get da dough! know how to spend da dough
Rocking alexander wang from head two toe
Yo! suid afrika, fok ja!
Ninjaz here to save da muddafukkn day
Girl u looking fit!

Grumbling: Where's my coffee?
Illegal cigarette smoking, mix it up wif da best dope den

Face smashed! brain bashed! car jacked!
Oh shit! brown streaks creeping up yor arse crack
