

# "From Now On We Are Enemies" - Bonus Track

## Fall Out Boy

'I just want to be better than your head's only medicine'  
A downward spiral just a pirouette  
Getting worse til there's nothing left  
What good comes of something when I'm just the ghost of nothing?  
'I'm just the man on the balcony singing':  
"Nobody will ever remember me,"  
Rejoice, rejoice and fall to your knees  
(for a)  
Lunatic of a god or a god of a lunatic?  
Oh, their faces are dancing  
They're dancing til  
Til they can't stand it  
A composer but never composed  
Singing the symphonies of the overdosed  
A composer but never composed  
'Singing':  
"I only want what I can't have"  
'Heralded as a king before I had a birthday  
With double digits  
Fit the crown to my head but I was only a kid'  
'I'm just the man on the balcony singing':  
"Nobody will ever remember me,"  
Rejoice, rejoice and fall to your knees  
(for a)  
Lunatic of a god or a god of a lunatic?  
Oh, their faces are dancing  
They're dancing til  
Til they can't stand it  
A composer but never composed  
Singing the symphonies of the overdosed  
A composer but never composed  
'Singing':  
"I only want what I can't have"  
'I just want to be better than your head's only medicine'  
'I'm just the man on the balcony singing':  
"Nobody will ever remember me,"  
Rejoice, rejoice and fall to your knees  
(for a)  
Lunatic of a god or a god of a lunatic?

Oh, their faces are dancing  
They're dancing til  
Til they can't stand it  
A composer but never composed  
Singing the symphonies of the overdosed  
A composer but never composed  
'Singing'  
"I only want what I can't have"
