Nightingale

Norah Jones

Nightingale, sing us a song
Of a love that once belonged
Nightingale, tell me your tale
far too long?Does it seem like I'm looking for

Was your journey far too long?Does it seem like I'm looking for an answer

To a question I can't ask?

I don't know which way the feather falls

If I should blow it to the leftNightingale, sing us a song

Of a love that once belonged Nightingale, tell me your tale

Was your journey far too long? All the voices that are spinnin' around me

Trying to tell me what to say

Can I fly right behind you?

And you can take me awayAll the voices that are spinnin' around me

Trying to tell me what to say So can I fly right behind you?

And you can take me away, you can take me away
