

Hey Leonardo (She Likes Me for Me)

Blessid Union of Souls

She don't care about my car
And she don't care about my money
And that's real good because I don't got a lot to spend
But if I did it wouldn't mean nothin' She likes me for me
Not because I look like Tyson Beckford
With the charm of Robert Redford
Oozing out my ears But what she sees
Are my faults and indecisions
My insecure conditions
And the tears upon the pillow that I shed She don't care about my big screen
Or my collection of DVD's
Things like that just never mattered much to her
Plus she don't watch to much T.V. And she don't care that I can fly her
To places she ain't never been
If she really wants to go, I think deep down she knows that
All she has to say is when She likes me for me
Not because I hang with Leonardo
Or that guy who played in Fargo
I think his name is Steve She's the one for me
And I just can't live without her
My arms belong around her
And I'm so glad I found her once again
And I'm so glad I found her once again
Yeah, I'm so glad I found her once again Gazing at the ceiling
As we entertain our feelings in the dark
The things that we're afraid of are gonna show us
What we're made of in the end She likes me for me
Not because I sing like Pavarotti
Or because I am such a hottie I like her for her
Not because she's phat like Cindy Crawford
She has got so much to offer
Why does she waste all her time with me
There must be something there that I don't see, I don't see She likes me for me
Not because I'm tough like Dirty Hairy
Make her laugh just like Jim Carrey
Unlike the Cable Guy But what she sees
Is that I can't live without her
My arms belong around her
And I'm so glad I found her once again

Found her once again, once again
Yeah, I'm so glad I found her once again
