

# Aaron's Party(Come Get It)

## Aaron Carter

Talking:

Here's a little bit of old school for ya,  
That goes a little something like this...I always tried to be the flyest kid in the block

The popular one with the rising stocks

So that's when I had this bright idea

Throw the party of the month

No, the party of the yearAll the fine girls couldn't turn it down

Now all I gotta do is get my parents out

Should I send them to a movie

No, send them to a show

Let me think, hmm

It's gotta be long thoughI said Mom, Dad, yo why ya sittin' home

It's a Friday night have you seen Aunt Jo

And don't worry about stayin' out too long

Don't fuss over me, I'll be fine aloneHave a good timeThe door bell rings 'cause the party's here

I'm crankin' up the stereo like it's New Years

Walkin' 'round the house like who's Da Man

(Everybody do it like Aaron can)First on the floor, you know that's me

Bustin' out the moves like it's MTV

I'm guessin' where I'm goin' 'cause I lost my head

Then I jumped on table, this is what I saidPeople all around you gotta

(Come get it)

Everyone together sing it loud

(Come get it)

Jump all around come on

(Come get it)

What...

(Come get it)

Say it again

(Come get it)People all around you gotta

(Come get it)

From the left to the right, make noise

(Come get it)

Here we go now, come on

Uh uh what whatNa na na na

Na na na naThings are goin' great

Then to my surprise

Some people walked in, I didn't recognize

I said fellows yo ya gotta get out(Hey man I heard this was an open house)

Open house?  
(Yeah that's what the flyers said)  
I didn't put out flyers!  
(Well somebody did)Then walked in  
The girl I'm crushin'  
And the kid spilled juice  
On my Mom's new cushionI turned around and  
Another kid broke the lamp  
(I hope they weren't expensive)  
They got them from France  
For now I won't sweat it  
I'll clean it up later  
There's a honey over there  
And I really want to meet herPeople all around you gotta  
(come get it)  
Everyone together sing it loud  
(come get it)  
Jump all around come on  
(come get it)  
What?  
(come get it)  
Say it again here we go, uh  
(come get it)People all around you gotta  
(come get it)  
From the left to the right, make noise  
(come get it)  
Here we go now, come on  
Uh uh what whatA.C.'s in the house, here we go  
Come with itBreak it down  
(go go go go go...)Is that a car door  
Oh dang I'm in trouble  
Everybody get out now  
On the double  
I'm dead (your done) that's it for me  
I'm gonna be picked off my family treeOnce Mom finds out 'bout this party I had  
I don't want to even start thinkin' about dad  
I'm hustlin' around the house  
Trying to clean up the mess  
I sure put my new white Nikes to the testThe car door slammed  
And they're walking up the steps  
I guess life is good with 10 seconds left  
(AARON!!!????!!!)GroundedChorusAaron see's in the house, come on  
(come get it)  
Uh uh what what
