

So High

Six60

Verse: 1 Matiu Walters]

If she was a dime, I'd call her on the line
To come down and put it on me
It caused a scene when she burned into my atmosphere
Been on cloud nine but it's a matter of time
Till she gets released
Now I'll say she's been smoking since she landed here[Hook]

I know what to say

But every time I'm with ya I want to get it
Every time I miss I want to hit it

I, I-I

And every other day I need it every other way

Every time I'm with ya I want to get it
Every time I miss, I want to hit it[Chorus]

How we get so, How we get so

High-I-I

[Hi-i-igh]

We get so high, wooo

[Hi-i-igh]

We get so high, So high[Verse: 2 Matiu Walters]

No lie

Its the hardest damn thing, I've tried to leave
And I'm hasty, cause I don't want to be that way
And it's a sign it's a matter of time till I get relief
Now I say it's so crazy how this happened to be[Hook]

Dollar for a dollar, Nickel for a dime

I put it all on the line

Every time I'm with ya I want to get it
Every time I miss, I want to hit it

I, I-I

And every other day, I need it every other way

Every time I'm with ya I want to get it
Every time I miss, I want to hit it[Chorus]

How we get so, How we get so

High-I-I

[Hi-i-igh]

We get so high, wooo

[Hi-i-igh]

We get so high, So high

High-I-I[Bridge]
Down,down,down,down,down
(ooo)
Going down
It's been four days, Three lives and
One too many times since we last kissed the sky
But this time, we're going down,down,down,down
Till I get so high[Chorus]
How we get so, How we get so
High-I-I
[Hi-i-igh]
We get so high, wooo
[Hi-i-igh]
We get so high, So high
High-I-ISo High x8
