Coming like a new bornIn Sibiria you saw the Black Munk preach

## Russian Gnostic words of hidden wisdom

See the mystery in the ecstatic eyes

Hear a song as sinful as the moon  
Rasputin, your fever

Will infect the womenFell the ecstasy when he inverts the world

# Secret Gnostic rites of Khlysti Gospel

## FollowRasputin in the enchanted dance

Feel a heat as ardent as the snow  
In Sibiria you saw the Black Munk preach
