

# Girls And Boys

## Singing Hands

Street's like a jungle  
So call the police  
Following the herd  
Down to Greece, on holiday  
Love in the Nineties, is paranoid  
On sunny beaches take your chances  
Looking for  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Avoiding all work  
'Cos there's none available  
Like battery thinkers count your thoughts  
On one, two, three, four, five fingers  
Nothing is wasted only reproduced  
You get nasty blisters  
Du bist sehr schen  
But we haven't been introduced  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Girls who are boys  
  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone to really love  
Looking for  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Girls who are boys  
Who like boys to be girls

Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
    Girls who are boys  
    Who like boys to be girls  
    Who do boys like they're girls  
    Who do girls like they're boys  
Always should be someone, you really love  
    Girls who are boys  
    Who like boys to be girls  
    Who do boys like they're girls  
    Who do girls like they're boys  
Always should be someone to really love
