

# Medieval Warfare (From Suicide Squad: The Album)

## Grimes

Baby I've been lookin' for a diamond  
I could never touch it and it shines like ice  
Everything is written in the sky and  
Baby you can have it if you say it nice  
Come on, baby, let's do somethin' ugly  
Somethin' you would never touch yourself  
Now let it bleed from me  
I just wanna see it come out Are you big? Are you ugly?  
Can you kill a man with your hands?  
Are you hot? Do you want me?  
Think I don't understand? Baby I've been sleepin' with a rifle  
Shotgun, grapeshot, tryptophobe  
Baby I got somethin' you can stifle  
Tie me, I won't leave  
Come on, baby, let's do somethin' pretty  
Somethin' you would never touch yourself  
Just let it bleed from me  
I just wanna make you come out Are you big? Are you ugly?  
Can you kill a man with your hands?  
Are you hot? Do you want me?  
Think I don't understand?  
Are you big? Are you ugly?  
Can you kill a man with your hands?  
Are you hot? Do you want me?  
Think I don't understand?  
Are you big? Are you ugly?  
Can you kill a man with your hands?  
Are you hot? Do you want me?  
Think I don't understand?  
Are you big? Are you ugly?  
Can you kill a man with your hands?  
Are you hot? Do you want me?
